

Irish Amateur Wrestling Association Vetting Policy

Introduction:

There is one type of vetting check available to the **Irish Amateur Wrestling Association** – The **Garda Vetting** processes is applicable to the **Irish Amateur Wrestling Association** members and personnel engaged in the Irish Amateur Wrestling Association activities.

The **Irish Amateur Wrestling Association** is registered with the Garda Vetting Central Unit, Co. Tipperary and has one appointed Authorised Signatory, Viorel Cristinel Bors, who can submit applications on your behalf. The Garda Vetting Central Unit will change to the National Vetting Bureau, with updated [legislation enacted in December 2012, updated in 2016](#).

The decision to engage in vetting for existing members and as part of the recruitment and selection process is in line with the best safeguarding advice available to protect the welfare of children and vulnerable adults within our organisation.

In the Republic of Ireland new legislation for Garda Vetting commenced in 2013 through the implementation of the New National Vetting Bureau (Children and Vulnerable Persons) Act 2012. The National Vetting Bureau Act provides a legislative basis for the mandatory vetting of individuals who wish to undertake certain work or activities, either in a paid or voluntary capacity, relating to children or vulnerable persons. In essence any person who engages with children or vulnerable adults on a **regular, ongoing basis** must have received confirmation from the **Irish Amateur Wrestling Association** that they are 'deemed acceptable' to fill the position from a National Vetting perspective. Under the National Vetting Bureau Act it will be an offence to engage with children or vulnerable adults on a regular, ongoing basis in the absence of vetting from the **Irish Amateur Wrestling Association**.

In 2017, the **Irish Amateur Wrestling Association** commenced the e-vetting process. For more details and the procedure, see our garda vetting page - <https://www.irishwrestling.ie/governance/garda-vetting>

Who provides Garda Vetting?

Vetting is carried out by the National Vetting Bureau of An Garda Síochána. Vetting can only be accessed through The **Irish Amateur Wrestling Association**, the NVB does not deal with individual applicants. Vetting cannot be accessed through local Garda Stations.

The National Vetting Bureau of the Garda Síochána conducts vetting of applicants engaged in relevant work to ascertain whether these applicants have a criminal record or prosecutions pending.

Garda Vetting is the process by which the National Vetting Bureau gives a statement on whether a person has had any convictions - pending or completed - recorded against their name (subject to the Spent Convictions Act of 2016 which allows for certain convictions to become “spent”). In certain circumstances specified information may be disclosed.

The **Irish Amateur Wrestling Association** is committed to the protection and welfare of children and vulnerable persons. As part of this commitment The **Irish Amateur Wrestling Association** complies with relevant legislation and recommended best practice in recruitment and selection procedures for both employees and volunteers, and will conduct Garda Vetting, where appropriate, as part of this process. The purpose of this page is to provide information and guidance on Garda Vetting procedures within The **Irish Amateur Wrestling Association**. This policy applies to The **Irish Amateur Wrestling Association** employees and volunteers who carry out “relevant work” with children and /or vulnerable persons on a regular basis as defined in the National Vetting Bureau (Children and Vulnerable Persons) Acts 2012 – 2016. Responsibility for ensuring this policy is effectively implemented rests with the Designated Liaison Person within The **Irish Amateur Wrestling Association**.

What is the purpose of Vetting?

The purpose of Garda Vetting is to provide details regarding all prosecutions, successful or not, pending or completed and/or convictions in respect of an individual applicant to an organisation which is registered for Garda Vetting.

Why undertake Vetting?

Vetting is an extra measure now incorporated into our recruitment and selection procedure for recruitment of personnel with access to children and vulnerable adults within **The Irish Amateur Wrestling Association** at local, regional and national level.

It will make our organisation and clubs better protected against possible perpetrators of child abuse by being a barrier for an individual who is unsuitable to work with children.

The vetting process does not provide clearance for people to work with children and/or vulnerable adults. The Review Committee

The Irish Amateur Wrestling Association will employ a Natural Justice framework in dealing with any disclosures of convictions. In accordance with the guidelines issued by the National Vetting Bureau, the CEO of The Irish Amateur Wrestling Association will establish a Decision-Making Committee. This Committee is comprised of up to six members, one representative of each of the five regions and a chairperson. A minimum of three must be present for any meeting. All applicants have a right to natural justice and can choose to waive their anonymity and meet the decision-making committee to present their case should they choose to do so.

Consideration of holding a Review Meeting

The National Vetting Bureau provides the organisation with details of all prosecutions, successful or not, pending or completed, and/or convictions. Consideration for holding a review meeting will occur when an application is returned from the NVB with information which gives cause for concern attached. The Liaison Person will verify any information received from the NVB with the applicant.

Any assessment of suitability of an applicant depends on the relevance of any conviction/disclosed information to the position or role applied for, the self-disclosure of such information, the seriousness of the offence/disclosed information, the timing of the offence and any possible pattern of offences. The information disclosed is used for only the specific purpose for which it was obtained as part of a volunteering or recruitment process within The Irish Amateur Wrestling Association. On receiving information that may potentially result in exclusion from taking up the regulated position any original documentation is checked to ensure it is correct and that the disclosed information refers to the applicant. If the applicant has self-disclosed the information and this agrees with the disclosure from the vetting body a decision will be made depending on the type and nature of the offences disclosed. If the applicant has not self-disclosed and information is received from the vetting body this will be checked with the applicant. The applicant will be asked to provide background information on all offences in writing as part of the risk assessment process.

Disclosure of certain types of convictions/prosecutions or specified information will automatically disqualify applicants from a position working with children and young people.

Examples of offences that will automatically disqualify an applicant are:

- Any offence of a sexual nature
- Any offence against a child or of child abuse or child abuse images
- An offence that causes grievous bodily harm
- Any offence of murder or manslaughter
- An offence of kidnapping
- A series of continuous offending that might cause concern for the well-being of children
- Any charge brought by the Director of Public Prosecutions (for Ireland and Northern Ireland) concerning abuse of a child or vulnerable person

This is a guide and not a complete list of barring offences. All decisions on the suitability of an applicant are a matter for the Decision-Making Committee of The Irish Amateur Wrestling Association or its affiliates. The NVB and ANI are not involved in such decisions.

Irish Amateur Wrestling Association Vetting Policy

All risk assessment decisions are made on an individual basis. Consideration is given to the nature of the disclosed information received from the respective vetting bodies and the initial self-disclosure, if any, by the individual. Decisions will only be made on disclosed information that is verified and confirmed, preferably in writing. If a decision is required that is not clearly dealt with in this vetting policy external advice is sought. In this case any identifying information on the disclosure will be removed. External advice may be sought from other regulatory bodies, e.g. Participation Unit from Sport Ireland or Child Protection in Sport Unit from NSPCC.

Where the applicant is suitable for the position currently held or applied for, this is communicated to the individual by issuing a letter accepting suitability to volunteer/work within The Irish Amateur Wrestling Association.

Where the information disclosed by the vetting organisation and/or self-disclosed by the applicant deems the individual to be unsuitable for the regulated position they are informed of such preferably in person, however this is not always possible.

In the case where an individual cannot be informed in person they will be requested to contact the LP/signatory as a matter of urgency. All applicants are allowed the opportunity to withdraw from seeking any role or position. The principles of natural justice concern procedural fairness and ensure a fair decision is reached by objective & unbiased decision makers at all times.

Information Storage & Data Protection

All information in the vetting process will be held in a manner consistent with the Irish Amateur Wrestling Association confidentiality policy. The Irish Amateur Wrestling Association complies fully with good practice regarding the secure storage, handling and use of the Vetting Bureau disclosures and personal vetting information as per Data Protection Policy and legal obligations under Data Protection Legislation.
